

KEY FACTS ABOUT THIS HOME CONTENTS POLICY

Policy Name Everyday Home Insurance

Prepared on: 1 February 2023

THIS IS NOT AN INSURANCE CONTRACT

STEP 1 Understanding the Facts Sheet

This Key Facts Sheet sets out **some** of the risks covered and not covered by this policy and other information you should consider. This sheet does not provide a complete statement of the cover offered, exclusions, conditions and limits that apply under the policy, and does not apply to Landlords contents. You should carefully read the **Product Disclosure Statement (PDS)** and all policy documentation for more details.

STEP 2 Check the maximum level of cover and the events covered

Under this policy's Home Contents Cover you set the maximum level of cover and your payout is limited to that amount (sum insured). Any amounts you claim include GST less any input tax credit you would have been entitled to.

* This Key Fact Sheet is a guide only. The examples provided are only some of many conditions, exclusions and limits in this policy. You must read the PDS and policy documentation for all information about this policy.

STEP 3 Other things to consider

Limits

This policy has restrictions that limit your cover for certain events and items, for example there is a cover limit of 20% of your contents sum insured for any one claim under the additional benefit 'Contents temporarily removed from your home'. The Comprehensive cover policy generally provides higher limits than the Standard cover policy, for example the limit for 'contents in your home office' is \$5,000 for a Standard cover policy and \$10,000 for a Comprehensive cover policy. To find out these limits you need to read the PDS and other relevant policy documentation.

Excesses

If you make a claim, the excess is the amount you may have to pay for each incident. A number of different excesses may apply in respect to this policy, for example you can select an excess but in certain cases a fixed excess may apply instead under specific covers, such as the \$100 excess that applies for any claim made under the optional covers for Electrical motor burnout or Portable valuables. You may be able to adjust these excesses to find a suitable premium for you. For more detail, please read the PDS and other relevant policy documentation.

Legal liability

This policy covers your legal liability when you are found to be legally responsible for damage or personal injury to a third party or their property. It is limited to \$20 million for any event(s) arising directly or indirectly from the one original accident/event, source or cause in total under this and any other policies issued by us that cover you. You should read the PDS carefully to determine the extent of this cover.

Cooling off period

If you decide you don't want this policy within 14 days of it being issued and you haven't made a claim, you can cancel it and receive a refund.

Maximum level of cover offered by insurers

Insurers offer different maximum levels of cover in the event of loss or destruction of your contents including where:

- You set the maximum level of cover and your payout is limited to that amount* (*Sum insured*).
- You set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (*Sum insured plus safety net*).

* the insurer may provide some cover above this amount.

When working out how much cover you need for your contents, ensure that you value your possessions correctly. To do this you can start by listing all your contents and working out how much it would cost to replace them.

A failure to adequately insure your contents for their replacement value may result in underinsurance.

Warning: this Key Facts Sheet sets out some of the conditions, exclusions and limits in respect to this policy. You should read the PDS and all policy documentation for all the conditions, exclusions and limitations of this policy that limit or exclude cover.
