

## Target Market Determination (TMD) Woolworths Pet Insurance

### Product Name:

Woolworths Pet Insurance – Accidental Injury Product Disclosure Statement (PDS) dated May 2016.

### What is a Target Market Determination?

This Target Market Determination (TMD) sets out the class of customers the product has been designed for and is suitable for. It sets out the target market for the product, conditions and restrictions placed on its distribution, events and circumstances that would reasonably suggest that the TMD is no longer appropriate and review periods and reporting obligations for the TMD.

This TMD does not provide any financial product advice on the product and does not take into consideration the objectives, financial situation and needs of individual customers.

The terms and conditions of the product are set out in the PDS. This TMD does not form part of the insurance contract and is not a summary of the product's terms and conditions. Customers should review the PDS before making any decision in relation to the product.

Any terms used in this TMD that are defined in the *Corporations Act 2001* (Cth) have the same meaning as in that Act. This TMD is available to any person at <https://insurance.woolworths.com.au/pet-insurance.html>

**Effective date this TMD:** October 5, 2021.

## Product description and key attributes

The product has been designed for people who want cover towards eligible vet expenses experienced by pet cats or dogs, as briefly described below:

	Accidental Injury
Cover Type	Cover for specified accidental injuries
Benefit Percentage	Up to 80% of eligible vet bills
Annual Benefit Limit	Up to \$6,000 per year
Sub-limits	Some condition related sub-limits apply to conditions like cruciate ligament surgery

Other key attributes of this product include:

- it does not provide comprehensive cover for preventative care costs and general pet maintenance costs like grooming and pet food; and
- cover is subject to annual limits, sub-limits, terms, conditions and exclusions. Examples of key exclusions include: waiting period exclusions at the inception of a new policy and coverage exclusions for chronic pre-existing conditions.

## Likely objectives, financial situation and needs of customers in the target market

The likely objectives, financial situation and needs of customers in the target market is a contribution towards eligible veterinary expenses, to help ensure their pet can receive appropriate treatment and to reduce the cost to the customer of that treatment.
