As long as we continue to provide the product, we'll offer renewal of your policy every year. This will be subject to the applicable terms and conditions of the policy for each *policy period*. Replacement policy process

For policies issued by Hollard only

In the event that Hollard no longer issues this Everyday Pet Insurance product, Hollard may arrange for PetSure to provide you with an offer of a *replacement policy* together with its applicable terms and conditions for you to consider. The *replacement policy* will automatically commence when your issued policy is due to expire unless you instruct us beforehand otherwise.

For policies issued by PetSure only

In the event that PetSure no longer issues this Everyday Pet Insurance product, PetSure may arrange to provide you with an offer of a *replacement policy* together with its applicable terms and conditions for you to consider. The *replacement policy* will automatically commence when your issued policy is due to expire unless you instruct us beforehand otherwise.

**For all renewals and *replacement
policies***

Unless you've told us beforehand that you've chosen not to automatically renew or not automatically accept the offer of a

replacement policy, your policy will automatically renew or, where applicable, your *replacement policy* will automatically commence on those terms. Where you have opted out of automatic renewal or automatic acceptance of the offer of replacement, you'll need to contact us after you've received your offer if you'd like to accept the policy terms.

Any renewal or *replacement policy* offer notice you receive will also remind you:

- that you can opt out of the automatic renewal or automatic *replacement policy* process at any time in the future;
- to check the information we have on your *certificate of insurance* is correct; and
- to review your insurance *cover* to consider if the policy limits and level of *cover* is still right for you.

Unless you opt out of automatic renewal or automatic acceptance of the offer of a *replacement policy* or tell us that you don't want to renew or replace your policy, PetSure (if it is the renewal or *replacement policy* issuer) or Hollard (if it is the renewal policy issuer) will deduct/charge the premium from your nominated account or credit card on any automatic renewal or *replacement policy*, as applicable. See the "Paying your premium" section for more information.

Your premium

Every year, we'll notify you of the changes to your annual premium. We review the cost of everyone's insurance, taking account of a range of factors. These are set out under the "How we calculate your premium" section.

Because of all of these factors and the changes to your pet's risk profile, your premium will increase from year to year.</p> <p>When calculating your premium on renewal or for a <i>replacement policy</i>, we also consider how much your premium was previously, including any discounts that may have been applied.
