

Target Market Determination (TMD) Everyday Pet Insurance

Name of product:

Everyday Pet Insurance - Basic Accident plan
Product Disclosure Statement (PDS) dated 15 February 2023

What is a Target Market Determination?

This Target Market Determination (TMD) sets out the class of customers the product has been designed for and is suitable for. It sets out the target market for the product, conditions and restrictions placed on its distribution, events and circumstances that would reasonably suggest that the TMD is no longer appropriate and review periods and reporting obligations for the TMD.

This TMD does not provide any financial product advice on the product and does not take into consideration the objectives, financial situation and needs of individual customers.

The terms and conditions of the product are set out in the PDS. This TMD does not form part of the insurance contract and is not a summary of the product's terms and conditions. Customers should review the PDS before making any decision in relation to the product.

Any terms used in this TMD that are defined in the *Corporations Act 2001 (Cth)* have the same meaning as in that Act.

This TMD is available to any person at <http://insurance.everyday.com.au/pet-insurance/useful-documents.html>

Effective date this TMD: 21 December 2023.

Issuer

This Target Market Determination is made by The Hollard Insurance Company Pty Ltd ABN 78 090 584 473 AFSL 241436 (Hollard). PetSure (Australia) Pty Ltd (ABN 95 075 949 923, AFSL 420183) (PetSure) acts for Hollard under a binding authority. In this document the terms, "we", "us" or "our" refer to Hollard in its own right or via PetSure.

Product description and key attributes

The product has been designed for people who want cover towards eligible veterinary expenses incurred by the owners of cats or dogs. The key attributes of the product are briefly described below:

Basic Accident	
Cover type	Cover for specified accidental injuries
Benefit percentage	Up to 80% of eligible veterinary bills
Annual benefit limit	Up to \$6,000 per policy period
Sub-limits	Sub-limits apply to consultations, emergency boarding and cruciate ligament conditions
Excess	Exces options, including \$0 excess, can be selected

Other key attributes of this product include:

- it does not provide comprehensive cover for preventative care costs and general pet maintenance costs like grooming and pet food;
- where eligible, the ability to:
 - reduce premiums by choosing a higher excess, in return for higher out-of-pocket end costs following claims reimbursement (should you make a successful claim); or
 - have lower out-of-pocket end costs following claims reimbursement (should you make a successful claim) by choosing a lower or no excess in return for higher premiums; and
- cover is subject to annual limits (which can increase from time to time to help keep pace with the cost of veterinary care), terms, conditions, and exclusions. Examples of key exclusions include: waiting period exclusions at the inception of a new policy and coverage exclusions for chronic pre-existing conditions.

Likely objectives, financial situation and needs of customers in the target market

The likely objectives, financial situation and needs of customers in the target market is contribution towards eligible veterinary expenses that they incur, to help ensure their pet can receive appropriate treatment and to reduce (and not cover in full) the cost to the customer of that treatment.

Customers in the target market will be able to afford to pay:

- premiums for the product, which will increase from year to year;
- the full amount for treatment upfront to the veterinary clinic before seeking claims reimbursement for the eligible expenses, unless using the GapOnly® claims payment platform (in which case, customers need to be able to pay upfront the 'gap' payment - the 'gap' means the difference between the veterinary invoice for eligible expenses and the claim benefit calculated under the policy terms and conditions, if any); and
- any veterinary expenses above the accepted claim amount, including:
 - the excess (where applicable);
 - costs above the applicable benefit percentage (up to 80% of eligible veterinary expenses);
 - costs above the applicable annual benefit limit (up to \$6,000 per policy period); and
 - costs above the applicable sub-limits (where applicable).
