About this document

It is up to you to choose the cover you need. This document contains information which can help you decide.

There are two parts to this document. Pacific International Insurance Pty Ltd ABN 83 169 311 193, AFSL No 523921 (the insurer) is responsible for the PDS section in this document.

Because we don't know your personal circumstances, you should treat any advice in this document as general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

International assistance will also work closely with the Claims team, which will assess **your** entitlement to financial assistance.

International assistance is connected with a global network that provides:

- Medical transfer to a hospital or repatriation to **your home in Australia**, where necessary;
- Guidance and support even if **your** loss may not be covered by the policy;
- Access to translation services.

How to contact international assistance

Please contact the international assistance team using the contact details below:

The cost of this policy

The total premium is the amount **we** charge **you** for this policy. It includes the amount **we** have calculated for the risk, commission and taxes and government charges applicable. The premium will be shown on the Certificate of Insurance.

When calculating the premium **we** take a number of factors into account. These factors and the degree to which they affect the premium will depend on the information **you** give **us** and the level and type of cover **you** choose.

The main factors that impact **your** premium include:

- the length of **your trip**;
- the length of time between the date of **your** policy's purchase and its start date

-
- **your** destination;
 - the travel plan chosen;
 - **your** age(s);
 - additional premium payable for any available options **you** choose:
 - cancellation limit option
 - **snow sports** cover option
 - **rental vehicle** insurance excess
 - specified items
 - **specified medical conditions**

For example, premiums may be higher if **you** are in a higher risk age group, for longer trips, destinations that are high risk or have higher medical costs, plans with greater coverage, and when **you** choose to purchase additional cover.

This policy is only valid after **you** pay the premium and **our representative** issues a Certificate of Insurance to **you**.

Additional options to purchase

We offer the following options for **you** to purchase. These options can be added with payment of an additional premium, depending on the plan **you** select, and will be shown on **your** Certificate of Insurance when added to **your** policy.

Cancellation option

For all plans, the policy limit for **Cancellation or holiday deferment costs** must be chosen at the time of purchase; the limit will then appear on the Certificate of Insurance.

You can vary the maximum **trip** cancellation limit. **You** will be advised of any change in premium. **Your** policy limit for **Cancellation or holiday deferment costs** and any additional premium will be shown on **your** Certificate of Insurance.

Snow sports cover option

This option is available with the Comprehensive Domestic plan with payment of an additional premium. When chosen, this option is shown on **your** Certificate of Insurance. Applicable limits are applied per adult and are not increased for accompanying **children**.

If **you'll** be taking part in **snow sports** on **your trip**, **you** must select the **Snow sports cover option** to have cover under all benefit sections of **your** policy for any claim **arising** from participation in **snow sports**. In addition, **you** will receive the following benefits:

Benefit	Applicable limits per adult
Any claim arising from participation in snow sports	Up to the applicable limit of the relevant section.
Ski lift passes	\$300
Ski run closure	\$100 per day up to a maximum of \$500
Hire replacement snow equipment	\$300

Refer to the section **Snow sports cover** for further cover details with this option.

Additional rental vehicle insurance excess option

This option is available with the Comprehensive Domestic plan with payment of an additional premium. When chosen, this option is shown on **your** Certificate of Insurance.

If **you** are hiring a **rental vehicle**, **you** may have to pay an insurance excess for an accident or theft. **We** have included cover for **rental vehicle** insurance excess; however, **you** may wish to increase this cover for an additional amount.

Maximum additional policy limit	Additional units of cover
\$5,000	Additional premium charged for each \$1,000 unit of additional limit selected.

This insurance does not provide cover for **your** liability arising out of **your** use of a **rental vehicle**. Please ensure **you** have adequate liability insurance.

Variable excess option

When **you** apply for insurance, **we** will let **you** know the applicable premium **you** have to pay. The premium and any excess applicable to **your** selected plan will be shown on **your** Certificate of Insurance.

Where a plan allows **you** to vary the excess, **your** premium will be adjusted accordingly; the lower the excess **you** select, the higher **your** premium will be.

Refer to the section **Excesses** for more information on how excesses work.

Specified items option

This option is available on the Comprehensive Domestic and Standard Domestic plans. Specified items are shown on **your** Certificate of Insurance.

You can cover items worth more than the luggage item limit shown for **your** plan by specifying the item(s) and paying an additional amount. Items separately insured under this Specified items option are covered up to the amount specified, even if this amount exceeds the total **Luggage and personal effects** limit set out in the Schedule of benefits for **your** plan.

-
- Maximum individual specified item limit: \$4,000
 - Maximum total for all specified items: \$10,000

You must insure the total value per item. Please ensure **you** have proof of value of any item **you** specify. This will be required should **you** make a claim.

Depreciation does not apply to specified items in the event of a claim. Cover for specified items is subject to the terms and conditions as detailed under the section **Luggage and personal effects**.

Specified medical conditions option

This option is available on the Comprehensive Domestic plan.

If **you** seek cover for events that arise from **your existing medical condition(s)** - other than those listed in **Automatically covered conditions** for which **you** meet the eligibility criteria - please refer to the section **Existing medical conditions** for the application, medical screening and cover details.

If **we** agree to offer **you** cover for **your existing medical condition(s)**, **we** will advise **you** in writing of any additional terms and conditions of that cover, including any additional excess and premium that will be payable. If **you** purchase this cover, it will be shown on **your** Certificate of Insurance.

Refer to the section **Excesses** for more information on how excesses work.

Your Duty to Us

Under the *Insurance Contracts Act 1984 (Cth)*, **you** have a duty to take reasonable care not to make a misrepresentation to **us** when answering questions that **we** will ask **you** and providing **us** with information. Before **you** enter into, vary or extend an insurance contract, **we** will ask **you** questions that are relevant to **our** decision to insure **you** and on what terms.

You must take reasonable care not to make a misrepresentation to **us** when answering those questions. For example, it is important that **you** answer these questions fully and accurately, to the best of **your** knowledge.

If **you** do not take reasonable care not to make a misrepresentation to **us**, **we** may cancel **your** contract, or deny or reduce the amount **we** will pay **you** for a claim, in accordance with **our** rights at law.

If **you** make a misrepresentation to **us** which is fraudulent, **we** can:

1. treat **your** contract as if it never existed (i.e. avoid the contract), unless **we** would have entered into the contract for the same premium and on the same terms anyway; or
2. if **we** are not entitled to avoid the contract or **we** decide not to avoid the contract, **we** can reduce the amount that **we** pay **you** for a claim so that **we** are put in the position **we** would have been in if **you** had not breached **your** duty to **us**, in accordance with **our** rights at law.

Cooling-off period

Cancelling within the cooling-off period

You have 21 days from the day **you** buy **your** policy to decide if the cover is right for **you**. If it's not, **you** can cancel **your** policy within this 'cooling-off period', and **we'll** give **you** a full refund of **your** premium provided that:

- **you** haven't started **your trip**; and
- **you** haven't made a claim; and
- **you** don't intend to make a claim or exercise any other right under **your** policy.

To cancel **your** policy within the cooling-off period, contact **our representative**. **Your** refund will be processed within 15 business days.

Cancelling outside the cooling-off period

If **you** request to cancel **your** policy outside the cooling-off period, **we** may, at **our** discretion, refund that part of **your** premium paid for the unused **period of insurance**. To be eligible for a refund, **you** cannot have started **your trip**, have made a claim or intend to make a claim or exercise any other right under **your** policy.

Cancellation by us

We can cancel **your** insurance in any way permitted by law, as described in the *Insurance Contracts Act 1984 (Cth)*, including if **you** have:

- failed to comply with **Your Duty to Us**; or
- failed to comply with **your** duty of utmost good faith to **us**; or
- made a misrepresentation which is fraudulent, unless **we** would have entered into or amended the policy for the same premium and on the same terms with **you** anyway; or
- failed to comply with a provision of the policy, including failure to pay the premium; or
- made a fraudulent claim under this policy or any other current policy.

If **we** cancel **your** policy, **we** will do so by giving **you** written notice. **We** will deduct from the premium an amount to cover the shortened period for which **you** have been insured by **us** and refund to **you** what is left.

Changing your policy

Changes to this policy only become effective when **we** agree to them and send **you** a new Certificate of Insurance detailing the change.

If **you** wish to change **your** policy details after **your** Certificate of Insurance has been issued, please contact **us**; **we** may require additional information to review the change request. Where **we** agree to make a change to **your** cover, an additional premium may apply.

Changes to your travel plans

You must tell **us** as soon as possible if circumstances occur, or if changes or alterations are intended or made, which increase the risk of loss, damage or **injury**. This may result in changes to **your** cover.

For example, **you** intend to visit a destination country or region not listed on **your** Certificate of Insurance.

If **you** don't nominate the destination country or region for **your trip** which would impact **our** decision to offer **you** cover or the terms of the cover offered, any claim under this policy relating to that undisclosed destination country or region may be reduced to nil.

Extending your policy

Depending on **your** circumstances, if **you** want to change the dates of **your** cover, **you'll** need to either extend **your** policy or buy a new one (for the additional days). **You** are eligible to extend **your** policy if:

- **your** current policy has not ended;
- all travellers are currently within the plan age limits – such as if **you** are travelling with accompanying **children** who are still under 25;
- **you** still meet all eligibility requirements of the policy;
- **you** haven't claimed and don't intend to claim for an event that has already occurred;
- there has been no change to **your** health since the issue of **your** Certificate of Insurance; and
- **you** don't have any **specified medical conditions** covered under **your** current policy.

You will not have cover for a claim **arising** from any event that has occurred before **your** policy is extended that a reasonable person in **your** circumstances should have known could foreseeably lead to a claim.

If **you** don't satisfy all these criteria, don't worry; **you** can apply to buy a new policy for the additional dates. If **you** don't qualify for an extension and have to buy a new policy to cover **your** additional travel days, the PDS and the pricing in use at the time **you** buy **your** new policy will apply.

You can only extend a policy up to a maximum of 12 months from the original start date shown on **your** Certificate of Insurance.

If **you** do not extend or buy a new policy before **your** current policy ends, or there is a gap between the **periods of insurance**, a 72-hour **waiting period** will apply to a policy **you** purchase with **us** whilst **you** are travelling.

Automatic extension

During **your trip**, if **you** are unable to return to **your home in Australia** before the end of the **period of insurance** (at 11.59pm AET on the end date shown on

your Certificate of Insurance), due to an **illness** or **injury** causing **you** or a member of **your travelling party** to be unfit to travel, contact the international assistance emergency assistance team as soon as possible. **We** will apply an extension to **your** policy whilst **your** claim is being determined, which will continue if **we** accept cover for **your** claim. This extension will last until the earlier of six months after the end date of **your** policy, or until **you** are able to return to **your** home in Australia. If **we** determine that there is no cover for **your** claim, **we** will notify **you** of this, and the cover under the automatic extension will end.

During **your trip**, if **you** are prevented from returning to **your home in Australia** before the end of the **period of insurance** by the delay, cancellation or restriction of **your scheduled public transport**, an extension of up to 48 hours applies to **your** policy. If **you** will be delayed longer than 48 hours, **you** may be eligible to extend **your** policy prior to the end of the **period of insurance** (see **Extending your policy**), or **you** can buy a new policy.

Jurisdiction and Choice of Law

This policy is governed by and construed in accordance with the laws of New South Wales, Australia, and **you** agree to submit to the exclusive jurisdiction of the courts of New South Wales. Equally, **we**, in accepting this insurance, agree that:

- If a dispute arises under this insurance, this insurance will be subject to New South Wales law and practice and the insurer will submit to the jurisdiction of any competent court in New South Wales;
- Any summons notice or process to be served upon the insurer may be served upon:

Pacific International Insurance Pty Ltd

PO BOX 550

Kotara NSW 2289

- If a suit is instituted against **us**, **we** will abide by the final decision of such court or competent appellate court.

Financial Claims Scheme

The insurer is authorised under the *Insurance Act 1973* to carry on general insurance business. This *Act* and the insurer's authorisation obligates it to comply with prudential standards to ensure it meets its financial obligations under this policy. The protection provided to **you** under the Federal Government's Financial Claims Scheme applies to the insurer and as such if the insurer's financial obligations under this policy are not met, then **you** may have a claim under this scheme.

Information about the scheme can be found at [fcs.gov.au](https://www.fcs.gov.au) or by calling 1300 55 88 49.

Our agreement with you

This policy is an agreement between **you** and **us**, made up of:

- **your** application for insurance; and
- this Combined Financial Services Guide and Product Disclosure Statement; and
- **your** Certificate of Insurance, which sets out the cover **you've** chosen and any terms specific to **you**; and
- any other documentation **we** issue to **you** outlining terms and conditions of **your** cover.

The cover under this policy is provided during the **period of insurance**, once **you've** paid **us your** premium. There are also:

- conditions and exclusions which apply to specific covers or sections;
- **General exclusions**, which apply to any claim **you** make;
- general conditions, which set out **your** responsibilities under this policy;
- **Claims conditions**, which set out **our** rights and **your** responsibilities when **you** make a claim; and
- other terms which set out how this policy operates.

Paying your premium

You must pay **your** premium (which includes commission, stamp duty and GST if applicable) at the time **you** take out this policy.

Your premium is set out on **your** Certificate of Insurance. If **you** did not pay **your** premium at the time **you** took out this policy, then **we** will treat this policy as never having operated and there'll be no cover.

Excesses

An excess is an amount **you** must pay once for each claim **you** make, except for benefit sections which state: "No excess applies to claims under this benefit". The excess is deducted from any claim payment **we** make to **you**. If **you** make more than one claim under **your** policy, the excess will apply to each claim which arises from each separate set of circumstances.

When **you** apply for insurance, **we** will let **you** know the applicable premium **you** have to pay, and **your** excess will be shown on **your** Certificate of Insurance. Depending on **your** plan, **you** may vary **your** excess. Refer to the section **Variable excess option** under **Additional options to purchase**.

Plan	Policy excess
Comprehensive Domestic	Chosen excess
Standard Domestic	Chosen excess
Cancellation and Deposit	Nil

Specified medical conditions excess

If **you** receive cover for any **specified medical condition(s)** and **your** Certificate of Insurance shows **you** have this cover, an additional excess may also apply to each occurrence relating to **your specified medical condition(s)** when **you** claim.

This additional excess will also be shown on **your** Certificate of Insurance and on any other related documents **we** send **you**; however, **you** cannot change or remove this excess.

How much we'll pay

The most **we'll** pay for a claim is the applicable limit set out in the Schedule of benefits for the plan **you** have purchased and for the cover or section **you're** claiming under, less any excess and depreciation, where applicable. For more information about excesses, refer to the section **Excesses**; for more information on depreciation, refer to the **Luggage and personal effects** section which explains how **we** calculate depreciation.

When does the policy begin and end?

Once **you** pay **your** premium, and **we** have accepted **your** application for insurance **we** will issue **you** a Certificate of Insurance showing the details of **your** policy.

Cover is available for a **trip** to be taken during the **period of insurance** (which begins from the start date and ends at 11.59pm AET on the end date, which are shown on **your** Certificate of Insurance).

There is no provision to suspend this policy during the **period of insurance** and the policy is not a renewable contract of insurance.

When does Cancellation cover begin and end?

Your cancellation cover:

- begins from the time **we** issue **your** Certificate of Insurance for:
 - benefit section **Cancellation or holiday deferment costs**; and
 - events 1 to 5 in the benefit section **Coronavirus travel costs**; and
- ends when **you** return to **your home in Australia** or when the **period of insurance** ends, whichever happens first.

When does cover for all other benefits and events begin and end?

Cover under all other benefits and events begins when **you** leave **your home in Australia** to begin **your trip** or the start date of the **trip** shown on **your** Certificate of Insurance, whichever happens last. Cover ends when **you** return to **your home in Australia** or when the **period of insurance** ends, whichever happens first.

Waiting period

If **you've** already started travelling when **your** Certificate of Insurance is issued:

- a 72-hour waiting period applies from the time the Certificate of Insurance is issued before cover for any events begins. However, if after the **trip** start date noted on **your** Certificate of Insurance and before the end of the 72-hour waiting period **you** suffer an **injury** as a result of an accident, cover as per the conditions of **Medical evacuation and repatriation** begins from the time of the accident for that **injury**. Cover for all other events only begins after the 72-hour waiting period, and is only for events first occurring after the 72-hour waiting period.
- where **you** select a **trip** start date that is more than 72 hours after **your** Certificate of Insurance is issued even though **you've** already started travelling:
 - cover under the benefit section **Cancellation or holiday deferment costs** and events 1 to 5 under the benefit section **Coronavirus travel costs** only begins after the 72-hour waiting period, and is only for any events first occurring after the 72-hour waiting period; and
 - cover for all other benefits and events begins from the **trip** start date **you** nominate that is shown on **your** Certificate of Insurance and is only for events first occurring after the **trip** start date.

If **you** have an existing Everyday Travel Insurance policy that will end whilst **you** are travelling, and **you** buy a new policy with **us** before the **period of insurance** ends under **your** existing policy (at 11.59pm AET on the end date shown on **your** Certificate of Insurance), the waiting period will not apply to that new policy, provided that there is no gap between the **periods of insurance**.

Information in this document may change from time to time. Where **we** reasonably determine the change is not materially detrimental to **you**, the updated information will be displayed on **our** website at **everydaytravelinsurance.com.au/travel-insurance**. **You** can also ask **us** for a free copy in writing.

In any other case, **we** will issue **you** with a new PDS (or supplementary PDS).

Existing medical conditions

The definition of **existing medical condition** applies to **you** where, at the time **you** buy **your** policy, **you** or a reasonable person in the same position could be expected to have been aware of the condition. It also applies to claims **you** make that **arise** from the **existing medical condition(s)** of **your travelling party**, a **close relative**, and **your** business partner.

There are exclusions that may apply to claims **arising** from **existing medical condition(s)**.

If **you** have an **existing medical condition** that is not **automatically covered**, **you** must complete a medical screening at the time **you** buy **your** policy. If **we** agree to offer **you** cover for **your existing medical condition(s)**, these can be added to **your** policy under the **Specified medical conditions** option for an additional premium.

(This option is not available with the Standard Domestic or Cancellation and Deposit.)

What's an existing medical condition?

An **existing medical condition** is any medical condition which:

- at the time **you** buy **your** policy is:
 - **chronic**; or
 - displaying symptoms; or
 - under investigation; or
 - pending follow-up consultation, treatment or surgery; or where these are recommended or planned; or
 - metastatic; or
 - terminal; or
- in the six months prior to the time **you** buy **your** policy there has been:
 - treatment by a **medical practitioner**; or
 - medication prescribed; or
 - surgery.

Getting cover for existing medical conditions (the Specified medical conditions option)

A number of the most common medical conditions are automatically covered by **your** policy.

Even if **your existing medical condition** isn't automatically covered, in many cases **you'll** still be able to get cover on application. Here's what **you** need to do:

1. Check if **your** condition is an automatically covered condition:

We'll automatically cover **you** for over 40 medical conditions. If **your existing medical condition** is on the list of **Automatically covered conditions**, and **you** satisfy all the criteria related to that condition, **you're** covered for events that **arise** from that condition as part of **our** standard cover.

2. Apply to add any conditions that aren't automatically covered as **specified medical conditions** (this option is not available with the Standard Domestic or Cancellation and Deposit plan):

If **you** have one or more **existing medical conditions** that aren't automatically covered, **you** must let **us** know at the time **you** buy **your** policy and complete a medical screening. **We'll** ask **you** some questions about **your** health and then determine whether **we** can offer **you** cover and, if so, on what terms.

In many cases, **we** expect that **we'll** be able to offer **you** cover for **your existing medical condition(s)** for an additional premium. If **you** choose to pay the additional premium, the condition becomes a **specified medical condition** covered under **your** policy, and the premium and any additional excess will be shown on **your** Certificate of Insurance. **You'll** then be covered for events that **arise** from the **specified medical condition(s)**.

What happens if you choose not to get cover for your existing medical condition?

If **you** have an **existing medical condition** that's not automatically covered under **your** policy or added to **your** policy as a **specified medical condition**, then **you** won't be covered for any claim that **arises** from that **existing medical condition**.

Automatically covered conditions

We automatically cover **you** for over 40 **existing medical conditions** which may exist at the time **you** buy **your** policy. **Your** medical condition is classified by **us** as an automatically covered condition if it's listed in the table below, provided that **you** satisfy all criteria listed for that condition. **You** must read this section together with the **General exclusions**, as these may affect **your** cover.

If **you** did not tell **us** about **your** **existing medical condition** when **you** bought **your** policy, contact **us** as soon as possible (contact details on last page of this document).

Cancellation or holiday deferment costs

You are covered for this benefit under the Comprehensive Domestic, Standard Domestic and Cancellation and Deposit plans.

What is covered?

If **you** have to cancel or rearrange **your trip** because of one of the reasons listed under **What are the events that will be covered under this section?**, **we** will pay either:

1. the non-refundable portion of **your** pre-paid travel arrangements and cancellation fees charged by **your** travel agent; or
2. the cost to rearrange **your trip**, provided that the cost is not greater than the amount that would have been incurred had **you** cancelled the **trip**,

for anyone listed on **your** Certificate of Insurance.

What is not covered?

1. **We** will not pay for a loss **arising** from any event other than those listed as covered under the **Cancellation and Additional Expenses** section.
2. **We** will not pay for any unused pre-paid transport costs where **we** have repatriated **you** a distance equivalent to, or greater than, the total distance remaining on **your** itinerary at the point of repatriation. Where the total distance of the repatriation is less than the unused travel arrangements **we** will calculate **your** entitlement on a pro-rata basis, taking into account the cost of **your** original ticket.

-
3. **We** will not pay for any pre-paid **snow sports** arrangements unless **you** have purchased the **Snow sports cover option** (when available for **your** plan) and this option is shown on **your** Certificate of Insurance.
 4. There is no cover where **you** have made a claim for the same costs under any other section of the policy.
 5. **We** will not pay for any non-refundable costs for anyone not named on **your** policy.
 6. **We** will not pay more than the cancellation limit amount that **you** selected which appears on **your** Certificate of Insurance.
 7. In the case of Agent's cancellation fees, **we** will not pay more than the limit outlined in the Schedule of benefits.

What is the most we will pay?

The most **we** will pay per policy for this benefit is the **Cancellation - chosen limit** shown on **your** Certificate of Insurance.

If **you** paid for any part of **your trip** using loyalty points or similar reward points, the amount **we** will pay is calculated as follows:

1. the cost of the equivalent class airline ticket, based on the best available advance purchase airfare for the same season of the following year, less **your** financial contribution towards the airline ticket;
2. multiplied by the total amount of points lost;
3. divided by the total amount of points redeemed to obtain the airline ticket.

Example:

Equivalent class advance purchase airfare = \$1,000

Points lost = 5,000

Points redeemed to obtain original ticket = 20,000

Claimable amount = $\$1,000 \times (5,000 / 20,000) = \250

We will not pay for or reinstate **your** Frequent Flyer Points or similar reward points if **you** are able to recover the points or their value from any source.

Claims

This section describes what **you** should and should not do, as well as conditions that apply when **you** make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

What you must do in the event of a claim or incident

1. Prevent further loss or damage if it is safe to do so;
2. If something was lost, stolen or vandalised, as soon as possible after becoming aware of the loss or damage, notify the local police, transport provider, hotel, tour guide or other authority, and give **us** evidence confirming the notification, such as documentation about the loss or damage;
3. If there were any witnesses, get their details and a written statement where possible;
4. In the case of an emergency, call the international assistance 24-hour emergency assistance team;
5. Contact **us** to submit **your** claim as soon as **you** can;
6. Give **us** any documents, letters or notices relating to a claim or possible claim, medical certificates, itemised medical accounts, original receipts, rental agreements, repair quotes, ticket and luggage checks or information that **we** reasonably ask for. This will be at **your** expense;
7. If **you** become sick or **injured**, see a **medical practitioner** as soon as possible after **you** become aware of signs or symptoms of the condition and request a written report;
8. If **your** luggage is lost, delayed or damaged by the **carrier**, report this to the **carrier** as soon as possible and send to **us** a copy of the property irregularity report, along with details of any settlement that they make in relation to the loss or damage.

What you must not do in the event of a claim or incident

1. Make any promise or offer of payment, or admit fault to anyone (except as required by law), or become involved in any litigation in respect of an event that may result in a claim under this policy, without **our** consent;

-
2. Offer or negotiate to pay a claim or make repairs;
 3. Dispose of damaged items unless **we've** said **you** can;
 4. Delay telling **us** about an incident, as that could prejudice **our** rights and if so, it may reduce the amount **we** pay for **your** claim;
 5. Give **us** false or misleading information.

Settling claims

Claims, less any applicable excess, will be paid to **you** or **your** personal representative in Australian dollars on the basis of the exchange rate that applied at the time of the loss that gave rise to the claim. **We** will not pay more than **your** actual loss.

Claims conditions

These claims conditions apply to every plan.

Claims service standard

Our claims service standard is to make a decision on **your** claim within 10 working days upon the receipt of a completed claim form, all relevant information and after **we** have completed all enquiries. If more information is required **we** will contact **you** within 10 working days of receiving **your** claim.

GST

If **you're** a business **you** must tell **us** if **you're** registered, or are required to be registered, for GST. When **you** do this, **we** need **you** to give **us**:

- **Your** ABN
- The percentage of any input tax credit **you** will claim, or will be entitled to claim, on **your** premium.

When **we** pay a claim, **your** GST status will determine the amount **we** pay **you**. **Your** claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless **we** say otherwise, all amounts in **your** policy are inclusive of GST. There may be other taxation implications affecting **you**, depending upon **your** own circumstances. **We** recommend **you** seek professional advice.

How claims administration and legal proceedings are undertaken

When a claim is made **we** have the right, at **our** discretion, to exercise all the legal rights of the person making the claim relating to the incident and to do so in their name. **We'll** take fair and reasonable action in the administration, conduct or settlement of the claim including any recovery or defence **we** think is necessary.

We'll also report any suspected fraudulent act to the police for further investigation.

Other insurance and contribution

You must notify **us** of any other insurance which will or may, whether in whole or in part, cover any loss insured under **your** policy. If at the time of any loss, damage or liability there's any other insurance (whether effected by **you** or by any other person) which covers the same loss, damage or liability **you** must provide **us** with any reasonable assistance **we** require to make a claim for contribution from any other insurer(s).

Losses recoverable from another source

If **your** loss has been caused by someone else, for example, **your** luggage is damaged by a **carrier**, **you** are required to make every reasonable attempt to recover from the responsible party and provide documentation of that to **us**. If they do not pay **you** the full amount of **your** claim and **your** claim is covered under **your** policy, **we** will make up the difference. **You** must claim from them first.

If **we** have a claim against someone in relation to the money **we** have to pay under this policy, **you** must do everything **you** can to help **us** recover that money in legal proceedings. If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

If **we** pay any expenses on **your** behalf or reimburse **you** for any loss, and **you** later receive payment from any other source for these expenses, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for stolen or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

Providing proof

You must be able to provide **us** with evidence confirming that **you've** suffered a loss covered by **your** policy before **we'll** pay **you** for it. **We** may ask **you** for this evidence if **you** make a claim under **your** policy. So **your** claim can be assessed quickly, make sure **you** keep the following:

- proof that **you** owned the item; and
- proof of its value and age.

Therefore **you** should keep all relevant receipts, accounts, valuations and police or medical reports.

If **you** cannot provide the evidence or proof that **we** ask for **we** may not pay **you**.

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after **you** make, and **we** agree, to pay a claim by replacing or paying to replace any items or materials. **We** may sell the items or materials and keep the proceeds. **We** may choose to sell the items or materials to **you**, provided **you** agree to pay market price.

Subrogation, recovery action and uninsured loss

We may at any time, at **our** expense, take fair and reasonable action in **your** name to secure reimbursement for loss or damage arising under **your** policy. In the event **we** do so, **you** agree to give all reasonable assistance for that purpose.

If **you've** suffered loss that wasn't covered by **your** policy as a result of the incident, **we** may offer to attempt to recover this. **You** may also specifically ask **us** to recover this for **you**. **You'll** need to give **us** documents supporting **your** loss. Before **we** include any uninsured loss in the recovery action **we'll** also ask **you** to agree to the basis on which **we'll** handle **your** recovery action. **You** may need to contribute to legal costs in some circumstances.

Preventing our right of recovery

If **you've** agreed not to seek compensation from any person liable to compensate **you** for loss, damage or liability covered by **your** policy, **we** won't cover **you** for that loss, damage or liability.
